In showing our appreciation and friendship to a teacher who has been with us for eight years and with the Senior Class for two consecutive years, who has made our classes enjoyable and our play a tremendous success———

We, the Senior Class of 1954 proudly pay tribute to the man whose understanding exceeds many but his friendship exceeds all——

WILLIAM H. POWERS

*Best Wishes to
our Classmate
Clark McCredie*

Altho' your days seem long and hard
They'll soon pass swiftly by.
And 'tho you can't be with us here
We feel you by our side.

We accept for you your honor
Most proud and humble here
And in every way to show you
There need never be a fear——

——That you will be forgotten
To all your classmate friends
So be with us in spirit
Our friendship never ends.

After four years at West Deer Township High School, filled with joys and sorrows of student life, you are now about to have greater responsibilities and enter upon a wider field of endeavor.

Three down and one to go. We, the Class of '55, are ready to take that final step on the ladder of our high school career.

Our junior play, "Two Blind Mice," a comedy in three acts which revolved around a phony government project, the Department of Medical Herbs, featured a newspaper man who took over the department and built it up into a big nothing.

We feel we have achieved the success of being the first class at West Deer to have an "outside" prom. The new atmosphere of the country club is sure to last in the memory of everyone.

With the first year of high school life behind them this class now began its sophomore year. It already is known as one of the best classes to come to West Deer. They have entered into many of the social and athletic events. Their main project this year was the S. and S. Party, an occasion which both sophomores and seniors will remember. They also held skates and bake sales. We are sure they will continue this good record their last two years and become a class to be remembered.

The class of '56 extends its best wishes and prayer for a speedy recovery to our classmate, Rod Hohman.

We the class of '57 entered the doors of West Deer High to learn about high school life even though many of us attended eighth grade here.

Our big social event of the year was the Mardi Gras, into which all entered with festive mood.

We have learned much and hope to achieve success in our remaining three years.

The freshman year is lots of fun,
Keeps a person on the run;
Clubs and chorus, dances, too,
Counting all, there's quite a few.
You've tried for cheerleaders, majorette too,
If you didn't make it, don't think you're through.
You've met new people, made new friends,
We hope for you success never ends.

*I have six honest serving men;
They taught me all I knew;
Their names are Where and What and
When
And How and Why and Who. —Kipling.*

These are the six important elements in newspaper writing. Our student journalists are forever vigil of the importance of news.

By helping to write and edit a school newspaper one becomes more aware of the tremendous responsibilities that rest upon the means of expression we call the newspaper.

The Visual Aids, as it is known in the school, is one of the most active clubs in the school. The club has a two-fold purpose. One is to show and secure the many educational films shown in the classrooms almost daily. The other is to provide practical experience and to develop a sense of responsibility in the carefully selected members.

During the year it has been the practice of the club to sponsor two evening trips for the members to chosen points of interest.

It is the aim of the F.F.A. to create and maintain a real interest in vocational agriculture while furthering their education as future farmers of America. Because of their identical membership the activities of the F.F.A. and the agriculture classes are very closely incorporated.

Parliamentary procedure is stressed as a part of their educational training. It has been the custom that every year a group from the club go to Harrisburg with their instructor to take in the State Farm Show.

Ginny was beautiful — but a brain! Franny was beautiful—but the principal's daughter! So, each had a lot to live down.

Others who helped make this three act comedy a success were: Ginny's kindly parents; her brother, Lester, in pursuit of a bass drum; Molly, the girl who has one, and her exasperated dad; "Beef," the captain of the football team and his three teammates; three girl cheerleaders; a teacher; the Principal; Foggy Ryan, whom Franny fears is dating her in order to graduate; a woman doctor, and a pretty majorette. Every part was a star part.

Congratulations to Miss Stella Jarema for excellent directorship and to the cast for its hilarious performance.

West Deer has good reason to be proud of its peppy, smart-looking band. The band has performed at all the football games, displaying many colorful and precise formations. Their snappy marching has been displayed at several parades and their fine playing was shown in a concert held under the direction of Mr. Heinrichs. When you hear that drum beat and see those neat maroon uniforms, take notice—West Deer is coming!

Alma Mater

Where the hills of Pennsylvania
Rim a cloudless hue,
Proudly stands our West Deer High School
'Neath the heavens blue;
Raise her banner,
Bear it onward
Through success or fame
While our hearts and voices echo
Hail, dear West Deer, Hail!

Always forward, Alma Mater,
Proud to bear thy name;
And the clouds reach down to meet you
In your lasting fame,
Loved by all, maroon and white,
We'll always cherish you—
Loyal hearts of West Deer High School
Hail! all hail to you.

Class Song

We believe for every day we spent in school
Our knowledge grew,
We believe that though it seemed a long, long
time
The years just flew.
Now that graduation day is finally here,
We thank the ones, who showed the way.
WE BELIEVE, we believe.

We believe that even in the smallest book,
A lesson taught.
We believe although some of our thoughts
were wrong,
The truth was sought.
Everytime we hear our ALMA MATER sung,
Our hearts beat fast of memories past,
Now you know why we believe.

Words by Frances Steban, Tune—"I BELIEVE".
